FINAL PROGRAM

2021 16th Selected Issues of Electrical Engineering and Electronics (WZEE 2021)

Poland - Rzeszów 13 – 15.09.2021

Subsidised from Minister of Education and Science of the Republic of Poland (57 075,00 PLN / 84 167, 00 PLN) in accordance with the contract DNK/SP/467128/2020, 26 June 2020 within „Doskonała Nauka” project entitled: The Organisation of International Conference Selected Issues of Electrical Engineering and Electronics WZEE 2020.

Welcome to WZEE 2021

It is our great pleasure and honor to welcome you to the 16th edition of the conference Selected Issues of Electrical Engineering and Electronics (WZEE) in Rzeszow, Poland. The organizing committee of WZEE 2021 will continue the tradition established by the previous events. We hope that the meeting in Rzeszow will maintain the high level of technical content of the previous editions and will continue to serve its role as the major forum where university faculty gather together to focus on electrical problems. The importance of WZEE technical content is under auspices of Electrotechnical Committee of Polish Academy of science and confirmed by the sponsorship from the IEEE as well as by the fact that the Symposium papers will be available on the IEEE Xplore.

Organizing Committee:

Damian Mazur - Conference Chair
Mariusz Korkosz - Vice-Conference Chair
Bogdan Kwiatkowski - Vice-Conference Chair
Piotr Bogusz - Vice-Conference Chair
Robert Pękala - Secretary
Lesław Gołębiowski - Chairman PTETiS
Marek Gołębiowski - Chairman PTETiS

Guidelines for Presentations All papers will be orally presented. The authors are requested to prepare a Power Point presentation. Please be aware that the computer equipment only supports standard Windows fonts, and that video clips often cause trouble in a presentation. The presentation has to be transferred to a notebook computer which will be available in each of the session room. The presenting authors are expected to upload their Power Point presentations 10 min. before their respective session starts. There will be technical staff for support. Please use a memory stick to transfer your presentation to the computers. However, your presentation will be erased from the session computer right after the session, so we do not keep your presentation. The oral presentations are scheduled to last not longer than 10-12 minutes. There is an additional 5 minutes for discussion. The session chairs are requested to maintain the session schedule. Guidelines for Session Chairs The session chairs should be present in the session room 10 min. before the session starts so that they can meet the authors. The presentations are scheduled to last not longer than 10-12 min. There is an additional 5 min. for discussion. The session chairs are requested to maintain the session schedule.
